| **Finish** | Brushed |

## Technical Specifications

| | |
|---|---|
| **Size** | Custom dimensions and thicknesses |

## Description

The veined cream of our collection: Crema Aurora sets brown and soft-grey drawing — iron seams and sediment lines — across a cream-to-ivory limestone ground, finished in a fine 60-grit matte that keeps every vein crisp. Any size cut to order, quarry-direct, for terraces, floors, walls, and stairs.
