Description

Discover Graphite Grey Basalt Setts: Rugged Texture & Modern Precision Elevate your next project with our Graphite Grey Basalt Setts, a premium 4″x4″ stone solution designed for high-performance durability. These blocks feature a naturally split top, providing a rugged, slip-resistant texture that showcases the authentic, volcanic character of the stone. While the surface remains raw and organic, the precision-cut sides ensure clean installation lines and flawless, tight joints for a modern, sop...
