Product Information

Product Name	Grigio Stellato Grey Basalt – Brushed

Category	Basalt Slabs, Tiles
Color	Gray
Finish	Brushed

Description

Grigio Stellato is grey basalt shown as it really looks: a charcoal-grey field with fine mineral flecks, brushed to an even 60-grit matte for patios, floors, walls, and paths. It darkens to black in rain and returns to grey as it dries — we tell you that up front. Any size cut to order.
