Ocean Reef Shellstone Polished Finish

Citadel Stone

Product Specification Sheet | Generated November 10, 2026

Product Information

Product Name	Ocean Reef Shellstone Polished Finish
Category	Limestone Slabs, Tiles
Finish	Polished

Technical Specifications

Size	16″ × 16″

Description

Citadel Stone’s Ocean Reef Shellstone Polished brings the most architecturally distinctive natural stone in our catalogue into a finish optimized for luxury interior specification. The polished surface is the result of multi-stage progressive abrasion followed by fine buffing — a process that opens the stone’s crystalline structure to produce a luminous high-gloss surface, intensifies the warm pale cream tone, amplifies both natural and artificial light across the installation, and brings the vi...
