Description

Tumbled Yellow Limestone: Add a touch of rustic sophistication to your indoor or outdoor space with Citadel Stone’s Tumbled Yellow Limestone. Renowned for their durability and warm aesthetic, these natural stone tiles feature a distinct tumbled finish that provides an aged, timeless look. More than just beautiful, the textured surface ensures high slip resistance, making them the safest choice for wet areas. Whether you are designing a swimming pool deck, a garden patio, or a high-traffic walkwa...
